WELCOME

Dear Riders, Trainers, Owners, and Friends of WIHS,

We are delighted to welcome you to the new, re-imagined Washington International Horse Show!

For our 64th year, we have made many exciting changes to create a special, one-of-a-kind, exhibitor- and horse-friendly indoor experience that brings WIHS history and traditions to our new home at The Show Place Arena in Upper Marlboro, Md., while returning us to our roots in the Washington, D.C, area.

Our new status as an FEI CSI5*-W distinguishes WIHS as the only 5* world cup jumping qualifying event in the U.S. With it comes significantly increased prize money and AA ranking points.

Our commitment to delivering a world-class venue, inside and out, extends to new footing in the competition arena and in multiple warm-up areas, as well as upgrades to stabling, and a dedicated FEI Complex. The convenient exhibitor lounge will overlook the arena, and the custom built two-tiered Lugano VIP Club will offer premium catering as well as excellent views of the ring. In addition, for exhibitor practicality, we have expanded and modified the event schedule to seven days and three nights.

We've partnered with the popular National Harbor waterfront complex to create an exciting WIHS Hospitality Campus offering exhibitors a variety of hotels including the Gaylord National Resort, the WIHS official hotel, which has exclusive discounted rates for exhibitors, and the MGM Casino, plus countless amenities including restaurants, shops, and the famous Capital Wheel, as well as complimentary shuttle service to and from the arena. For more information on hotels, visit our website.

To our generous and dedicated sponsors who make it possible to produce this historic horse show every year, we extend our sincerest appreciation and thanks. Longines, a principal supporter, continues as title sponsor of the Longines FEI Jumping World Cup™ Washington. MARS Equestrian™ returns as presenting sponsor of WIHS and the WIHS Livestream. Huntland again will be presenting sponsor of the WIHS Pony Equitation Championship.

Returning for the fifth year as the WIHS Official Airline, Delta will offer discounted travel for WIHS exhibitors and fans to local airports in the Washington, D.C., area.

The enthusiastic and generous support of the State of Maryland, Prince George's County and the Maryland Horse Industry Board has ensured a wonderful transition to our new home. We're proud to join the Maryland 5 Star at Fair Hill eventing competition and the Maryland Million Day racing to celebrate "Maryland Horse Month" in October as proclaimed by Gov. Larry Hogan to recognize Maryland's rich horse and equestrian tradition.

As a 501(C)(3) nonprofit, charitable organization, WIHS is committed to supporting local and national groups including our longtime military charity partner, Tragedy Assistance Program for Survivors (TAPS), the D.C.-based Capital Breast Care Center, and new this year, the USEF Opportunity Fund with the mission to increase access to horses and equine-based learning opportunities among under-represented or under-served communities.

Everyone at WIHS is excited about this new chapter in our history, and we hope you will join us for the 64th Annual Washington International Horse Show presented by Mars Equestrian™!

ENTRIES & QUALIFICATIONS

ENTRIES CLOSE TUESDAY, SEPTEMBER 6, 2022

An application must be submitted for all horses including all International Jumpers and horses in the WIHS Children's and Adult Hunter and Jumper Championships, except for WIHS Equitation riders, who will receive invitations. All competitors and trainers must submit entries electronically through the Show Management System™ Platform: https://entries.showmanagementsystem.com/home, with which we process entries and communicate with competitors about acceptance status. All entries will be charged a $5.75 non-refundable entry processing fee payable to Show Management System™ at the time of entry submission. This fee applies to all entries.

Entries submitted after midnight Tuesday, September 6, will not be accepted, with the following exception: if a section does not fill, management may accept late entries using the alternate qualifying criteria outlined below.

For entry questions, please contact: WIHSsecretary@wihs.org, 202-679-5660

- **Submit** $155.75 with your entry ($150 application fee + $5.75 entry processing fee) **for each horse entered** (non-refundable).
- All Health Papers must accompany each horse and will be checked upon arrival. Do not bring to office.
  1. Negative Coggins test within one year
  2. Proof of EHV1 and EHV4 vaccinations within 6 months as per USEF Rule GR845
  3. Out-of-state horses must have a 30-day interstate health certificate

  See page 25 for details.
- Each entry form must be signed by the owner, rider, trainer and coach (if applicable). Said signature shall constitute verification that the information contained therein is accurate to the best of the signer's knowledge and belief. Any falsification of entry information will result in disqualification of the entry and forfeiture of entry and stabling fees.
- Signed US Equestrian Federation Waiver and Release of Liability Form. See page 64 for details.
- USEF measurement cards, amateur certification, and membership cards or copies must be provided to the horse show office before numbers will be released.

QUALIFICATION: The show will limit the number of entries accepted in all sections. Qualifying lists will be posted in September on the WIHS website, **wihs.org**.

- Please see each section/division for the maximum number of horses or ponies allowed per rider. You may enter as many horses or ponies as you wish, however, you are responsible for complying with the restrictions in each section/division.
- Acceptance letters will be emailed in September to the name and address specified on the entry form. Payment in full as billed on the acceptance invoice must be submitted online by the specified date; entries not paid in full by that date will not be permitted to show. If response to acceptance letter is not received by the date specified in the acceptance letter, management will move down the list.
- Non-negotiable checks will disqualify the entry, and the exhibitor will be charged a $150 collection fee. Exhibitors with outstanding debt to WIHS will not be allowed to compete.

Alternate Qualifying Criteria

If the qualifying list is exhausted and spaces are still available in a section, the following alternate qualification criteria will be used:

- Any horse applying for acceptance in a section must have shown in that section within the specified qualifying time period but need not necessarily have won points.
- Horses accepted based on the alternate qualifying criteria must have submitted an entry and will be accepted on a first-come-first-served basis.
- A mandatory office fee of $150 will be assessed for each entry.

WIHS CHILDREN'S AND ADULT CHAMPIONSHIPS

Children's Hunter – Riders may not compete in any other hunter class at WIHS. Horses may, with a different rider, compete in any other class for which it is eligible and qualified.

Adult Hunter - Horse/rider combination may not compete in any other class at WIHS. Horses may, with a different rider, compete in any other class for which it is eligible and qualified. Riders may not compete in any other hunter class at the show where fences are set at 3'6" or higher, however, riders may, if qualified, show one other horse in the Amateur-Owner Hunter 3'3" section.

Children's and Adult Jumper – Riders may not compete in any other jumper class at WIHS. Horses may not compete in any other class at WIHS.

SUBSTITUTIONS: No substitution of horses may be made after the announced closing of entries. No horse may be withdrawn from competition in the show without permission. Exhibitors shall be held responsible for entry fees of all horses entered by them or their agents.

HUNTERS

Qualifying for the Hunter, Amateur-Owner Hunter, Junior Hunter and Pony Hunter divisions will be based on USEF National Horse of the Year points earned by horses/ponies at their best 15 shows starting on or after September 1, 2021, through shows starting on or before August 31, 2022. Horses that were champions at the 2021 WIHS automatically will qualify for the section in which they were champion provided they are properly entered and still eligible for that section.

Hunter champion and reserve champion titles will be awarded to the top two of the four horses that acquire the most points over fences in that section. In addition to these points, only these four horses will receive half points for ribbons won in model classes (full points for Regular Conformation Model class) and full points for ribbons won in one under saddle class. Ties will be broken under Article HU148.

Hunter grand champion titles will be awarded to the horse or pony accumulating the most points in their section of that division. In the event of a tie, the horse winning the most points over fences will receive the award. If a tie remains, the award will be presented jointly.

All classes will be judged on performance and soundness unless otherwise noted.

JUMPERS

High, Medium and Low Junior/Amateur Jumpers: Qualifying will be based on prize money won at USEF-recognized shows and/or FEI-sanctioned competitions starting on or after September 1, 2021, through shows starting on or before August 31, 2022, in Junior, Amateur and/or Young Rider competitions. For the High Junior/Amateur section, classes held at 1.40m - 1.45m will count. For the Medium Junior/Amateur section, classes held at 1.30m - 1.35m will count. For the Low Junior/Amateur section, classes held at 1.20m - 1.25m will count.

FEI Competitions: For FEI competitions held outside of the United States, riders are responsible for ensuring the USEF has a record of their winnings. 2021 champions automatically will qualify provided they are properly entered and still eligible for that section.

International Jumpers: See page 52 for qualifying information. Riders must submit an official entry form to the Washington International Horse Show office for each horse. Riders must also be nominated by their National Federation on the FEI entry system, along with the horses they wish to compete. Deadline for submission of entries is August 24, 2022**.**

WIHS EQUITATION DIVISION

WIHS Equitation and Pony Equitation competitors must be WIHS members in order for points to count for the WIHS Equitation Finals. Visit wihs.org/membership for a WIHS Membership Form, standings, upcoming shows and more information.

181 WIHS EQUITATION FINALS

Invitations will be extended to 40 junior riders — the top 30 riders from the East Coast League and the top 10 riders from the West Coast League, who are eligible to compete based on their points accumulated at shows starting on or after September 1, 2021, through shows starting on or before August 31, 2022. Invitations will be emailed in September. **Do not enter this class until you have received official notification.**

This class will be conducted in three phases, a hunter phase, a jumper phase and a work-off. Horses to jump 3'6" in all phases. The order of go for the first phase (hunter) shall be determined by the final standings from both East and West Coast (the rider with most points going last, the rider with fewest points going first). The score will be announced. The top ten finishers will return to the ring, mounted, for awards at the conclusion of the hunter phase. The order for the second phase (jumper) will be in reverse standing order of the hunter phase with the winner of the hunter phase competing last. The same horse must be used in all phases throughout the class. NO EXCEPTIONS. Riders competing in the WIHS Equitation Finals may not compete in the WIHS Pony Equitation Finals.

Entry fee: $500

Hunter Phase: Medallions, Ribbons
Jumper Phase: Ribbons
Finalists: Championship Coolers, Ribbons
Champion: Trophy, Sash

PROCEDURES FOR WIHS EQUITATION FINALS

For more information and complete procedures visit https://www.wihs.org/wihs-equitation/

THIRD PHASE (WORK-OF) - The scores from the Hunter & Jumper Phases will be added together to determine the ten riders who will participate in the third phase. The combined score will determine the order of go, with the highest scoring rider competing last. In the event of a tie in determining the ten riders for the third phase, or the order for the third phase, the higher score in the Jumper Phase will break any ties. These ten riders will change horses. The order of change will be as follows; first and second place will switch, third and fourth place will switch, fifth and sixth place will switch, seventh and eighth place will switch, ninth and tenth place will switch. Once the riders have changed horses for the work-off and before the first rider in the third phase has entered the arena to compete, there will be a 3-minute period during which riders may work individually on the flat. Should any rider feel that the horse on which they will compete in the third phase is unsound to the extent it will impair the horse's ability to perform the third phase, that rider must petition the panel of Judges(s) and Veterinarian(s) who will be available to assess the soundness of any questioned horse. The panel's decision regarding the fitness of a questioned horse to compete will be final. Should a horse be declared unfit to compete in the third phase, the rider who qualified that horse will be eliminated from the third phase and automatically placed 10th. The Show Steward will then draw by lot 1 of the 8 remaining riders (not to include the rider who was to ride the eliminated horse in the third phase). The rider drawn will then change its switched mount with the horse qualified by the rider who was switched to the unfit horse. In the event that more than one horse is declared unfit to compete, this procedure will be repeated in each instance. In the case of multiple eliminated riders due to unsoundness, the combined score of the first two rounds of the Finals will determine their final placing.

Once the third phase begins only two riders will be permitted in the schooling/warm-up area at the same time; the next rider in the competition and the one that follows. There will be one oxer and one vertical. Each rider will be permitted to jump a total of four fences. Riders in the third phase will negotiate the Jumper Phase course. There

will be neither a starting tone nor a Time Allowed in the third phase. A score will be given by the judges in the Third Phase, but will not be announced until the conclusion of the class. All horses must compete in the same equipment (saddles excluded) as in the second phase. This includes, but is not limited to: bridle, bits, reins, boots. Any ties in the overall after the third phase will be broken by the designated tie breaking judges' panel score in the third phase.

Time in the first round will decide between horses tied for other than first place. To be shown over a course of approximately 10 jumps. Horses to jump 1.15m.

FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE

The Fédération Equestre International (FEI) expects all those involved in international equestrian sport to adhere to the FEI Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.

Horses and competitors must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.

Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.

Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.

The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

In accordance with this procedure, any appeal against a decision rendered by the FEI or its official bodies is to be settled exclusively by the Court of Arbitration for Sport (CAS) in Lausanne, Switzerland.

VETERINARY EXAMINATIONS, HORSE INSPECTIONS AND PASSPORT CONTROLS

These will be carried out in accordance with the Veterinary Regulations, Art. 1011 & the discipline rules. Gen. Regs., 23rd Edition, Revision effective 1 Jan., 2009 will apply:

Art. 139.1: Every horse entered for any competition at CNs or ClMs (see Appendix D) in a foreign country (see GRs 141.2), and all horses entered for other Cls, ClOs, Championships, Regional and Olympic Games, whether at home or in foreign countries (see GRs 141.2), must have an official valid FEI Passport, or a National Passport approved by the FEI and accompanied by an FEI Recognition Card and, when applicable, an FEI registration number, as a means of identification and to establish ownership.

Art. 139.2: Horses taking part in CNs and ClMs (see Appendix D) in their country of residence are not required to have such a passport as is mentioned in paragraph 1. All such horses must be properly registered and identifiable and, unless there is no national requirement for equine influenza vaccination in the host country and in the country of origin, all horses must have a valid vaccination certificate.

EQUINE INFLUENZA VACCINATION, VET. REGS. ANNEX VII (except events in NZL & AUS) All horses and ponies for which an FEI Passport, or a National Passport approved by the FEI has been issued, must have the vaccination section endorsed by a veterinarian, stating that it has received two injections for primary vaccination against equine influenza, given between 1 and 3 months apart. In addition, a booster injection must be recorded as having been given within each succeeding six months, subsequent to the second injection of the primary vaccination. None of these injections must have been given within the preceding seven days including the day of the competition or of entry into the competition stables.

The above are the minimum requirements for influenza vaccination. Both primary and first and subsequent booster injections should be given according to the manufacturer's instructions which will fall within the stipulation of the FEI ruling.

SAMPLING FOR PROHIBITED SUBSTANCES (Vet. Regs. Chapter V & VI; Annex IV)
Regular sampling is carried out in CCIs (3*,4*), CSIs (3*, 4*, 5*), CIOs, World Cup Qualifiers and Finals, Championships and Games, whereas at other CIs sampling is recommended. When testing takes place, the number of horses tested is at the discretion of the Testing Veterinarian/Veterinary Delegate; however, a minimum of three is recommended (Vet. Regs. Art. 1016). Special guidelines are applicable for events covered by the FEI Medication Control Programme (Groups I & II only).

MEDICATION CONTROL PROGRAMME (GROUP I & II ONLY)
The Organizing Committees of FEI events within Groups I & II are advised to charge competitors the equivalent of CHF 12.50 per horse per event as a contribution towards the costs of the MCP programme.

HEALTH REQUIREMENTS FOR THE ENTRY OF HORSES/PONIES
The following health documents MUST BE WITH THE HORSE(S) AND PRESENTED AT THE GATE
UPON ARRIVAL:
1 - Negative Coggins test within one year
2 - Proof of EHV1 and EHV4 vaccinations within 6 months as per USEF Rule GR845
3 - Out-of-state horses must have a 30-day interstate health certificate
IMPORTANT - Please note: In order to be allowed to compete, the following USEF/USHJA rules are in effect:
All competing members 18 years of age and older must have completed the Safe Sport Training through USEF in order to compete in any capacity. This includes all owners, trainers, riders and coaches.
All horses/ponies must be microchipped in order to be allowed to show. Exempt from this requirement are Walk-Trot and Opportunity entries and those others listed in USEF GR 901.

MICROCHIP AND SAFE SPORT REQUIREMENTS WILL BE CHECKED IN THE HORSE SHOW OFFICE
During WIHS, the veterinarian's phone number will be posted in the Horse Show Office and in the Stabling Office. United States regulations require that all equines be covered by official interstate health certificates, issued by a licensed veterinarian, showing that the animals are free from any symptoms of any infectious or communicable disease. The certificate shall include the name of the owner and address, destination, number of horses examined, the name, registration numbers(s), if any, tattoo, if any, sex, age, rectal temperature, color, and marking of each animal listed. Health certificates will become void after 30 days from issue. Health certificates must show animals to be negative to an equine infectious anemia test within the past 12 months. Date of test and approved laboratory must be shown on the health certificate. Equine Rhinopneuonitis vaccination is not required; however, if any animal is vaccinated, it is ineligible for entry within 21 days of vaccination. Vehicles transporting animals must have certificates showing that they were cleaned and disinfected under veterinary supervision prior to loading. This information can be written on the health certificate.

CUSTOMS FORMALITIES

Before a horse can enter the United States, it must have an import permit, a health certificate from the country of origin (signed by a veterinarian), and a negative CEM culture taking within 30 days of import (for mares and stallions). I**f allowed into the country, all horses must be placed in federal quarantine at a USDA animal import center, which usually lasts two or three days. In the United States, there are four ports of entry for horses coming into this country—Los Angeles, CA; Newburg, NY; Miami, FL; and Honolulu, HI.**

Each horse brought into this country must pass through one of these USDA facilities. During that time, the horse will be tested and observed for clinical signs of illness resulting from "exotic" diseases such as dourine, glanders, piroplasmosis, or more common diseases such as influenza. After quarantine, the mares and stallions more than 731 days of age (two years) which are new to United States must undergo CEM quarantine at a separate facility.

National Federations holding an international event in their country should inform their national veterinary authority and their customs authority at least four weeks prior to the event. They should request every facility to assist the movement of horses/ponies accompanied by FEI passports and the necessary veterinary certification at frontier crossing points into and out of their countries. (Vet. Regs. Art. 1004.2)

INSURANCE

All owners and competitors are personally responsible for damages to third persons caused by themselves, their employees, their agents or their horses. They are therefore strongly advised to take out third-party insurance providing full coverage for participation in equestrian events at home and abroad, and to keep the policy up to date.
